

Devon Diane Anderson

THE **Corrupt** DISTRICT ATTORNEY FOR HARRIS COUNTY TEXAS

A Vote for Devon Anderson Is a Vote for Corruption

Illegal Investigations • Fraud and Perjury • Malicious Prosecutions • Abuse of Power

On September 26, 2013 Devon Diane Anderson received the political appointment as interim District Attorney for Harris County Texas making her one of the most powerful public officials in the Nation. Anderson was not qualified for this appointment.

The Anderson Administration

Devon Diane Anderson and her administration engage in selective enforcement of the law. Lying to grand juries, the courts, and the public to support unjust guilty verdicts is the culture of the Anderson administration.

Facts are twisted and invented to obtain unjust guilty verdicts and common people are forced into guilty pleas by extortion. The Anderson administration deliberately drags out criminal cases to bankrupt innocent defendants so they are forced into pleading guilty.

A common person cannot afford time off from work for court dates that are repeatedly reset every few weeks for months on end; nor can a common person afford paying an attorney for these repeated resets. To be subjected to meaningless resets is official oppression.

Corruption and Abuse

Devon Diane Anderson directs illegal investigations; fraud and perjury; and malicious prosecutions to conceal corruption within the District Attorney's Office. She has abusively devoted the police and prosecutorial powers of the District Attorney's Office to suppress those who threatened to expose corruption within her administration while real crimes go without attention. Anderson has wasted vast amounts of taxpayer money for personal vendettas.

The Anderson administration betrays the public trust in gross extremes and it insults the efforts of ethical assistant district attorneys. Devon Diane Anderson is a corrupt public official who disgraces the office of district attorney.

Removal from Office

Pursuant to Sections 87.013(a)(1) and 87.013(a)(2) of the Texas Local Government Code, a petition to remove Devon Diane Anderson from public office is being filed in the District Court for Harris County Texas so she can answer for her incompetency and misconduct as District Attorney.
